Note Dispensing Base

NDB-2500 / NDB-3500

Dilemma!

Have a coin changer – Need a note breaker...

Solution:

Add a Bank Note Dispensing Base to your existing coin changer and get the best of both worlds!

The NDB series of products is designed to fit both the Quick Change QC-2500-JCM and the QC-3500-JCM models.

- Simple Bolt-On Installation
- Same footprint as existing machine

Functions (when connected to your QC-2500 / QC-3500)

- Coin In / Coin Out
- Coin In / Note Out
- Note In / Coin Out
- Note In / Note Out

One or two denominations of banknotes dispensed

Factory installation includes servicing of all components prior to shipping.

or an obligation-free demonstration of the Quick Change QNB-4000 / QNB-4500 please contact:
